The New MLRCA – Rebels with a Cause!

Updated! 2009 – 2010 Sweepstakes Standings!

Vice President – Tracy Harmon

It is with great excitement that we, the MLRCA, catapult into the next chapter of our club! As most of you can see, great things are happening on a near daily basis. The website is beyond phenomenal!!!!!! Robert Laughlin is a "computer god" with an enormous amount of heart and dedication to this club. I am sure that many of the Board members are writing about the vast improvements and capabilities of the new site but I will also touch on a few. We have a club store which is now opened. Michelle Laughlin (Robert's beautiful wife) has volunteered her time to manage the products available, including the storing and shipping. Please visit this area and order your club merchandise, wear it to the shows with pride and show your support!

Also including on the site for members benefit is a BIS picture area; a breeder directory; the ability to purchase memberships, banquet tickets, donations, etc. online; and forums for many different topics; all of these areas are free of charge as a member benefit and make life much easier for everyone involved. Check out the new history page for the Mini Lop breed. It is very informative and has some beautiful artwork. The website is www.minilop.org.

During our trials and tribulation over the past year, we learned that we have a phenomenal amount of support and many members that would like to play a larger part in the club. We have added 4 new committees that will not only let a larger part of the membership be part of important committees but help our membership in many different aspects.

The first committee is called the "Face of the Future". This will be a youth committee with two adult advisors geared towards giving the youth a voice in every aspect of our association. They will have a youth liaison that will potentially sit in on the Board meetings, bringing to the table fresh ideas and suggestions from the youth committee. They will also be intricately involved in the social media, Advocate, and Guidebook.

The second committee is the "LOL" committee. The vision for this committee is to "enhance the lives of Mini Lops and make life easier for Mini Lop breeders". The committee should be derived from volunteers that have Mini Lops because of their true love and devotion to the breed, not just to have some rabbits in cages. The committee members will be fielding questions from membership and creating documents on enhancing rabbit's lives (toys, exercise, grooming, treats, etc.) and anything to help make caring for your rabbits more streamlined and enjoyable.

Committee number three is the Disaster Relief committee. Over my many, many years in raising rabbits, I have heard some very devastating stories all over the US; huge losses from heat, predators, barn fires, flood, tornadoes, etc. This committee is designed to help with several aspects including the help of obtaining free breeding stock; possible monetary help; emotional help, along with anything else needed. We all know that many material items including barn and equipment are often covered by insurance but never the animals themselves. This committee will come up with an application process and criteria for help by percentage of loss. Most of the committee members have been through one of these losses themselves and are experts in this area, through unfortunate experience.

And last but certainly not least is the Sunshine and Rain committee. The vision for this committee is for every member of the MLRCA to feel like they are part of a larger, extended family and that not only do we care, but we care what affects your life. We will need the help of every member of the MLRCA, along with several members on this committee to make it work. When we find out about an important issue in a members life, from a graduation; wedding; birth; death; illness; win at nationals; etc., a card will be sent from one of the members to let them know we care. This will take the help of everyone!

Please check the website at www.minilop.com for members of each committee presently. If you are interested in being on a committee, does not have to be one of these four, it can be any of our standing committees as well, please contact me at teminilop@aol.com.

I can't wait to see all of you in Indy and from the words of the famous band, Journey...DON'T STOP BELIEVIN'!!!!!!!!

Mini Lop Nationals - Sedalia, Missouri – April 9th & 10th, 2011. What an historical weekend that turned out to be! The Southwest Missouri Hare Raisers and I would like to give a big thank you to all the folks who made the long trip from the West and East coasts; from the North in Minnesota and all the way down South in Texas and New Mexico. How dedicated you all are to our wonderful little rabbits. It was awesome to see old and new friends. It had been a long time since Dale Smith and Sanders and Becky Whaley have made the trip to Mini Lop Nationals. Tom Poole and family made the trip all the way from Maryland. We met new friends, Robert and Michelle Laughlin, who made their first Nationals all the way from South Carolina. And brand new member, Nikki Mencsik, from Ohio took best of breed in the open and lifetime members, Tracy & Terry Harmon took best opposite of breed. You can't beat that! My good friend from Kansas, Jenae Schmidt won BOB and BOS in the youth show on Saturday and Sunday, both!

The weekend was filled with hours and hours of meetings for me and many board members. When I wasn't running from one place to the other for the show, I was running to another meeting with the dedicated board members that were present. We tried to satisfy ARBA with the demands they ask of us and we did fulfill the 4 items they listed in their letter that many of you have read. Again, we made history by removing an officer who was not willing to work with your Mini Lop Board and willing to save the charter. But it was to no avail because the ARBA President did not listen to the majority of MLRCA members but only to a small minority and our charter was pulled. A first in ARBA history was made when they pulled a charter from a major breed, associated with them. We did try to re-apply for the national breed charter, but it was awarded to another group. For now, once again (history is made), we are a national rabbit hobby club with close to 500 members strong.

Since our meetings in Sedalia, Missouri, the board has had four telephone conference meetings. There is a lot of business to figure out when you are going into unchartered territory. We have a new President; Christopher DeSurra, a new Vice President; Tracy Harmon, a new district two director; Kassi Sieber, a new district three director; Pam Celesnik, a new district eight director; Jason Scott. Thank goodness we still have, Lisa Davis, Theresa Farrow, Bonnie Bolen, Rusty Westhoff, Eileen King and Stephen Trent as directors; one, four, five, six, seven and nine. When you have the opportunity please thank these dedicated, hardworking and devoted individuals who are leading this club into a new future. It is been awesome to listen to the collaboration and keen thoughts this group has commented to in the meetings.

With that being said, it has become quite apparent that my time on the board needs to come to an end.

It has become very clear to me over the past 14 months that our club was in a downward spiral with the onset of the ARBA and the Liaison committee. Often times, I have felt that it would have been best for all concerned if I would just step down from my position within this club. Other times, I felt like I had my reputation to protect and my honor to win back. It is clear now, that my reputation cannot be cleared and there is no honor left to uphold. For the record, I dearly love this club. I love the people, (for the most part) and of course I love the rabbits.

It was almost 18 years ago when, my dearest friend Tracy talked the MLRCA board into making me the interim secretary/treasurer for only 6 months or so. What an adventure. Most of the times have been fantastic and so funny one could wet their pants at times! I have laughed, cried, said the bad words, argued, and for the most part agreed on many issues. Christopher (our brilliant president) has been my rock and the source of many good times. What a superb leader and friend he is to the rabbit world. Kassi and Marty have been there from the beginning, way back to the 1st Tulsa convention when we were just getting started in this rabbit hobby and learning about the Mini Lop breeders. It will always make me scratch my head, as to why so many people have confused Tracy, Kassi, and me with each other. We don't look or talk alike, but still, people mix us up. Theresa has been a great comfort and friend for many years, but her talents really became clear this past last year. Theresa is truly a good soul. Bonnie is a treasure of words. She is the golden goose of the written word. Eileen is the quiet, watchful eye of the northeast. She keeps trying to squash the rumors that seem to fly

rapid through that area. Stephen, Pam and Jason, I did not have the opportunity to work with on a national level (face to face – only through e-mails and telephone conference calls), but I know they will continue to work for this club and give their insight. Lisa and Rusty are very important to me first as friends, but also as fellow board members. A special Thank you for getting down in the trenches of this dirty war we have been in. They have fought the good fight for a long time.

Folks you need to know that I have given my heart and lots of my soul for this club, but that has come to an end. I cannot please everyone and sometimes, I cannot please anyone. I have learned that individuals are still spreading lies about our club. The word they are still using is "embezzlement" which is connected to my position. Those seeds are still being planted all over the country. The only way to stop the lies is to stop the position I am in. Over the past 17 years with many audits and reviews of the books there was never any misappropriated funds. I don't know how else to state the obvious. I believe certain ARBA board members will feel triumphed with my leaving; they will feel that justice is fining being served. I believe with my leaving it will put our club in a "better light". Do not get me wrong, I am not quitting the club, just the position. Our next tele-conference meeting will hopefully be appointing a new secretary/treasurer. Please give them the all the support and patience as we move the MLRCA business from Pittsburg, Kansas to a new location and character.

In closing, if you did not get to attend the banquet at our last nationals you missed signing the words to "Rabbit Show". It is to the tune of Garth Brooks' Rodeo. Hope you have a chance to sing it down the road.

"RABBIT SHOW"

The rabbits are cold and restless
My wounds have almost healed
And she'd give half of Texas
Just to change the way he feels
She knows his loves in Tulsa
And she knows he gonna go
Well it ain't no woman, flesh and blood
It's the dadgum rabbit show

CHORUS:
Well it's the bucks and does
It's the colored toes
It's the talk of the Saturday crowd.
It's the form of the rabbit
It's the BEST IN SHOW
He'll win the next go round.
It's the airplane ears
It's the joyful tears
It's the call for your class
You're up there at last
It's the ribbons and the trophies
And they call the thing a rabbit show

They do their best to hold their coat
When the show comes to town
But his need for winning controls him
And she doesn't want to know
That it's "so long girl I'll see you"
When it's time for him to go
You know the woman wants her lover
Like he wants his rabbit show.

REPEAT CHORUS

It'll drive a breeder crazy
It'll drive a man insane
And he'll sell off everything he owns,
Just to pay the entry fee
And a broken buck and some broken does
Is all he'll have to show
For all the years he's been chasing
This dream they call Rabbit Show

REPEAT CHORUS

It's the bucks and the does
It's the way they show
And they call it a Rabbit Show

District 1 – Lisa Davis

Hello Mini Lop Fans!!

We are starting into a new and exciting time for the MLRCA! Yes, we are still functioning and working for you, our members. As a Board we have had 2 conference call meetings and will likely be having another one within the next month. We have a lot of work to do and will be presenting the members with some decisions to make. That said, we have had some awesome ideas and support rolling in from you all!!

It is at this time that I would like to welcome aboard Shay Stenchever as our District 1 Youth Director!! Shay and her brother both show Mini Lops in the Washington area. They both get in there to help out behind the table where needed and do a great job. Thank you Shay!

We have a new webmaster that is doing a fantastic job with our website! On our website www.minilop.org you will find:

1) Updated pages from the history page to the sweepstakes report for youth! The rest of the sweepstakes will be updated very soon also.
2) Sweepstakes are being updated from the various regions in order to completely finalize our sweepstakes 2010-2011 year. Please keep checking for the final results!
3) You can now renew and pay for your membership right online!! No computer? You can still send in your membership the same way you used to!
4) Forums online for sharing and chatting with friends from around the country!
5) Free breeders listing for members of the MLRCA!!
6) Merchandise!! Buy and pay online, have your items shipped directly to your home!!
7) New sweepstakes reporting! What you do is send in your show reports to the sweepstakes chairperson along with $1.00 per show and your points are then put into the sweepstakes! No more making sure the show is sanctioned in time or worrying about the rare show secretary that fails to turn in the show reports.
8) Our Executive Board is still listed on the website and has been updated to reflect a few new directors so please check it out!
9) Committee members are still in the process of being updated but will be on the website soon!
10) Our Constitution and Bylaws can also be found on the website! Please read this document and familiarize yourself with it. Then, when we send out the ballots for necessary changes you will be an informed voter and ready to give us your feedback.
11) The history page has been updated and improved! Check it out!
12) A petition for office can also be found on the website. If you have an interest in serving your club please fill one out and run for office! Eligibility requirements can be found on the petition form!
13) Youth Scholarship information and an application can also be found on the website! Deadline for this year's applicant is postmark by August 31st so get those applications coming!! Don't delay and miss your chance! See the website for eligibility.
14) Have a BIS/RIS win with your ML! Have your picture displayed on the MLRCA websites "photos" page!
15) Breeders Directory is updated regularly! Fill out the form, include your membership number, and have your information and Rabbitry displayed on the website!
16) Newly added to the national winners' page is the variety of the winning rabbits! There are a few holes to be filled so if you have information regarding these holes please let us know!
17) There is also a NEW guestbook! Please take time to sign it.

We hope everyone enjoys the new direction our website is taking. It is not without a lot of time and work by Robert Laughlin (your webmaster) and it is greatly appreciated! Please contact Robert with any thoughts or ideas or post them on the forum! Thank you Robert!

I was lucky enough to attend the show in Sandpoint, Idaho recently and what a show we had!! There were several of us from WA in attendance as it's always a very fun show with splendid weather. It was a total of 4 shows with 2 on Saturday and 2 on Sunday. We were really pleased when in Show B Becky (Jones) Gandy's broken senior doe Jones's Misty was chosen for BIS!! What an end to a great day with friend's right?! Well then the next day for Show C - Nicole Velotta's broken senior buck Velotta's Twitch was chosen for BIS!! And as if that didn't make a showing for the awesome Mini Lop breed, in Show D my solid junior doe Milkhouse's Ponderey was chosen for BIS!! YES!!! Mini Lops 3 BIS Awards out of 4 Shows!!!!

The summer heat is now upon us so be sure to keep those Mini Loppers cool. There are many ideas out there and you have to find what works best for you. I use “misters” on one end of my barn and have it so the breeze can blow through the barn after coming through the “mist”. This drops the temps in my barn by a good 5-10 degrees, just enough to keep them comfortable most of the time. When temps get over 100 degrees I worry regardless. Some use ceramic tiles that are kept in the freezer and switch them out every so often for a fresh cold one. The rabbits can lie on them and cool themselves. Some use frozen water bottles for them to lie against and some freeze water balloons which the balloon can then be removed leaving the ice to be placed into the cage for them to lie against. These are just a few ideas. If you have any others please feel free to send them in to your adult or youth director for publishing!

Fair season has gotten underway! Good luck to all exhibitors at the many fairs across our great country. We will all be praying for cool weather and great results for the Mini Lops everywhere!

Lisa ☺

District 1 Youth – Shay Stenchever

Hello! My name is Shay and I am the new Youth Director for District One!

I’m 14 years old and I co-own Triple Crown Rabbitry with my brother in Sultan, WA. We breed and show mini lops, cinnamons, French lops, and Himalayan Mini Rex. I have always had rabbits but just about a year ago, I got into mini lops for show by getting my first mini lop from Velvet Touch Rabbitry in OR.

I go to every show in Monroe, WA and will sometimes travel within WA. This was my first year at the WA convention and I had a blast! We will definitely be going again next year! My goal is to create and article geared toward helping the youth and open mini lop showers. In order to help me out here, I would really appreciate any and all input and opinions from everyone! If you have any questions at all, I would be happy to answer them!

Fair Season! That’s right, fair season has crept up on us and if you haven’t already had yours, they’re right around the corner! I personally show at the Evergreen State Fair in Monroe, WA and would like to offer help to any showers who would like it!

-Be sure you’re ready by checking the fair website and collecting all of the necessary information to make your show go as smoothly as possible! Collect a record of all of your rabbits and their ear numbers. Be sure you double check your entries so you’re sure they are all correct.

-What to bring:

Gallon of Water	Bucket of Feed	CLEAN Carriers
Spray Bottle (To Keep bunnies cool)	Spray Bottle of Vinegar (For those dirty lops)	Brush(s)
Pedigrees (Just in Case)	A copy of your entry	Anything else you may need!

-If you would like any specific tips as far as showing at your fair, rather it is open or youth, shoot me an e-mail!

Brag Corner - If you have an achievement or idea in the Mini Lop world you would like to share, shoot me an E-mail at: extra007@macpunk.com

***Congrats to Erik of Smokey’s Bunny Barn for his RIS win at Monroe with “Smokey’s Fed Up” Way to go!

I’m super excited to be joining the MLRCA team and hope I can live up to everyone’s expectations! Thanks for reading!

-Shay

District 2 – Kassi Sieber

I am going to make this a brief article, due to that fact that I am short on time. Having spent the last few weeks getting ready and running our county fair is time consuming and exhausting. Every year I say to myself that I am not going to run our fair anymore and the next year I see myself getting sucked right back in.

There are a lot of things happening with the club, so please make sure you read every ones articles. If you have questions, please ask you district director or a board member. Don't assume what you are being told is the truth. The MLRCA is still a club; we still have an active board, active members, committees, the youth scholarship, a website and sweepstakes.

Speaking of sweepstakes…..Keep in mind that because of my fair duties I still have over 150 shows that were not calculated prior to the Advocate being printed. By the time you receive this Advocate the updated Sweepstakes points will be on the website. Please make sure you look at them and let me know if there are any discrepancies that you can see. As of right now I have about 40 shows that were not returned for the 2010-2011 year. Please keep that in mind when you are looking at the site. If you have any questions, please feel free to email me at ksieber@msn.com.

Until next time…

District 2 Youth – Kaitlynn Dueck

Hello Everybunny,

Shianne here, well this is my last report as I have aged out and am moving to open. So my sister Kaitlynn will be taking over.

Convention is on its way again, I hope you guys are getting your bunnies ready. Make sure to run a brush through your show bunnies once a day to keep them in good condition. You can also get your hands a little damp and run your fingers through their fur, pulling out all the loose hairs. And remember to watch your molting bunnies; you don't want them to get a blockage from grooming themselves. A little timothy and 1cc of mineral oil for those that have really blown their coats and you should be ok.

If you think your rabbit is showing signs of a fur block, e.g.; hiding at the back of the cage, not eating, not pooping, or poops are getting smaller, and are connected together by fur. (String of pearls), but they are still drinking, or you have at least made sure there is nothing wrong with their water, and then you should give them some pure pineapple juice by syringe. (no sugar added) Up to about 10cc, or as much as you can get them to take. Let them rest, and see if they start pooping/eating again. If not, now would be the time to bring out the big guns! Meat tenderizer! No, not to prepare the rabbit for eating, Lawry's or Adolf's Meat Tenderizer, mixed with some water, acts like Drano on fur blockage. Syringe feed this to the rabbit. You should see results within a couple hours. And always offer water, because the meat tenderizer has a LOT of salt.

For anyone that is new or even has been in rabbits for years it is a good thing to know the laws in your city or town on having animals. It is always also good to talk to your neighbors too. We had a run in with our local zoning dept.; we were just fine and in all the right regulations. But it's always good to keep your rabbitry clean and ready for anything and talk to the neighbors around you.

Kaitlynn's view ~ It's been a cooler summer here on the central coast of Cali. I hope it's been cooler where you are. Our club has gone through a lot but we still have a club and youth district directors. I just found out that the CA Gov. just passed a new law, SB917 stating that you can longer as of Jan 1st sell, trade, or give away any animal in a parking lot, street, highway or parks. And you will also not be allowed to have for sale animals on display the community. (our shows?) So that means in the state of CA we won't be able to sell animals at rabbit shows, which kind of defeats the purpose of showing and selling quality animals. But good thing for us the soon to be, Annual MLRCA Spring Show is in Reno, Nevada so no worries there.

We have had a hard last couple of months because we were prepping the animals for our county fair, and with the stress of all that, our neighbor called the county on us. He told us it was for flies, but then he said it was because our turkeys gobbled too much. Now that's funny. The thing was we told him all the turkeys and most of the rabbits would be gone during fair and the turkeys would not be returning. We completely gutted out our whole backyard and cleaned everything.

We only have four standard chickens left, and one bantam, no turkeys and we down sized a lot on our rabbits. When the lady came she was only here for 3 min and then left saying that everything was fine.

We have since found out that we are allowed to have as much poultry (including turkeys) and rabbits as we want, as long as they are 25 feet from his house, and flies/rodents, etc. aren't out of control. We don't have a rodent problem, thanks to our cat. And as for the flies, it has been and EXTREMELY wet year for our normally dry area. Everyone is complaining of flies. So I am sure we are going to be hearing from him again soon. Fun times!

Ok, we want to hear from all you out there, youth opinions on the happenings with our club? What do you want to see happen in the future? Are you joining both Mini Lop clubs? Also, we still want to hear about your BIG wins, or even your first wins, even if they aren't so big. Email me at morningglorymini@aol.com

District 3 – Pam Celesnik

Hello Fellow Mini Loppers!

My name is Pam Celesnik and I am your new District 3 Director. I am from Wisconsin and have been involved with Mini Lops since 1993, and with the MLRCA just about as long. Many of you know me already, but for those of you who do not, I will give some background: my daughter Brianna started showing Mini lops back in 1993 through 4 –H. Well, one thing lead to another and the next thing you know we are driving across the state with our one Mini Lop (4 hours) and went to our first ARBA show. This is where things really went wrong, as she won BOS, so of course we needed to get more mini lops. Of course, she started winning and on top of that, her very first breeding produced a rabbit that not only won several BOB's and BOS's, but her very first BIS. The next thing you know, we are on the road every weekend and living out of a suitcase. She went on to win Youth District Breeder of the Year several times and had several BIS wins. We have always been very involved in the MLRCA. From the beginning of our journey through the rabbit world, I have helped superintend many ARBA and MLRCA youth national shows, and my daughter would be a writer and working with the judges or vice versa. Brianna was on the MLRCA Board of Directors as District 3 Director for two terms until she got married and I took over the herd management.

I have personally worked in manufacturing as an inventory specialist for 28 years, managing an inventory valued at over 10 million dollars all the way up until they took manufacturing overseas. I also served as Vice President of the union for 18 years. I then worked in retail management until I could no longer work and have since retired. It is because of my background and my knowledge of constitutions and parliamentary procedure that I felt qualified to accept this position. Moreover, I really felt that this club was worth every effort to save!

Many people have devoted so much of themselves and their talents to the MLRCA and its membership. We have one of the greatest heritages in rabbits today and a devoted membership who wants to see us stay around for another 30 years and to those people I must give a heartfelt THANK YOU, for your unwavering devotion.

I have chosen to continue with our previous Youth District 3 Director, Remi Taff. If you do not know Remi, I hope you all take time to get to know this amazing young woman. If the youth wish to contact her or want her to speak on your behalf, I hope they do so. She is your liaison to the Board of Directors. However, I will have an open door policy as well and you can speak freely to me at any time. We can overcome anything, as long as we all work together.

Because the MLRCA no longer sanctions shows, you now can have your points counted by sending in the official show reports from any ARBA show, along with one dollar and your points will count. Yes, we still have the same fun contests we have always have had. The cool thing about not having sanctions is that you do not need to worry about whether or not your breed is sanctioned at a show, nor do you have to worry about paying to sanction any more shows! All you need to do is mail your show reports, along with $1.00 per report (as a processing fee) to Kassi Sieber, and the points are yours!

Also, check out the newly revised website: www.minilop.org

They have some great new merchandise on there, and every purchase helps support the MLRCA! Again, I would like to thank all members of this fine organization for your continued support through the challenging times this club has faced in the past. I hope that as your new District 3 Director, I can help make some of that up to you as we continue grow as a club to achieve new heights.

Until Next Time,

District 3 Youth – Remi Taff

Hello District 3!

I was very happy to be appointed as your youth director again! I love writing these articles for you all to read!

This year has been very successful for me with the mini lops, and I hope it has been for you too! I've had healthy litters, every time. Yay! As I am writing this, I am getting things ready for November! The big trip to ARBA Nationals, In Indianapolis, Indiana! It's about a 7 hour drive for us, from Wisconsin. We will have a packed car, as my family is car-pooling with 2 other people! 3 Families worth of rabbits, and luggage! But, it will all be worth the cramped spaces in the end. I cannot wait to see you all, and all of those fantastic mini lops!

A few weeks ago, we had a really bad heat streak here in the Midwest. It was very hot all over the US for that matter. I know many friends lost rabbits and babies, despite their hard work to keep them cool. I was lucky to not have lost any rabbits. I don't know how I did it, but every bunny pulled through!

This is all I have to report at this time! Please contact me with your BIS/RIS winning Mini Lops! Include your name, Show date, City/State of Show, and rabbit's name/variety!

Email them to: locobunny67@hotmail.com

Hello from Texas!

I wish I had a secret formula for keeping rabbits cool during a heat wave, but it is almost impossible unless you have a climate control barn. I hope you are doing better than I am keeping your bunnies comfortable. This has been one of the hottest and driest summers on record for most of us, and has taken its toll on not only rabbits but other livestock as well! Our ponds are drying up and the farmers are feeding their cattle hay because there is no grass, and if we don't get some rain soon they will not have hay for winter.

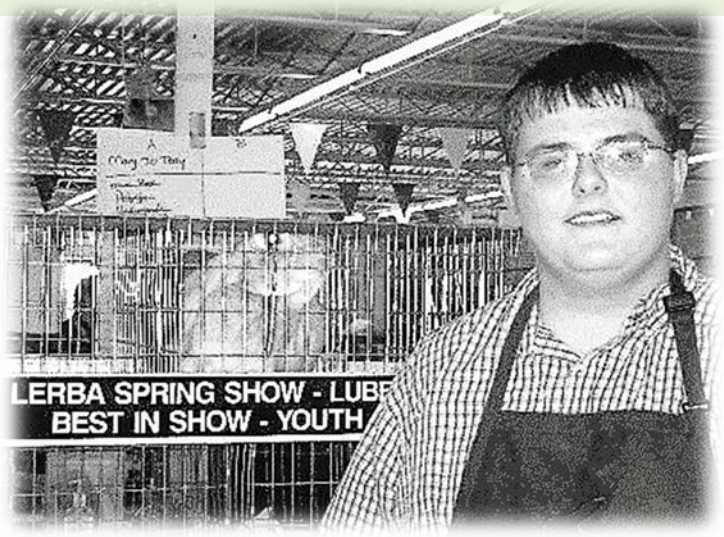
On the first weekend in June, before the weather turned so hot, we held our annual Texas Mini Lop Specialty night show and covered dish supper. A fun time was shared by all attending. We had a total of 75 Mini Lops shown in open and youth. In open show A, BOB went to myself and BOS went to Belinda Carlin and in open show B, BOB & BOS went to Belinda Carlin. In youth show A & B, BOB went to Alyssa Lloid and BOS went to Kaitlin Smith

It has been a while since I have written anything about myself, so I thought this would be a good time to introduce myself to the newer members of the club. My husband Frank and I have been married for 48 years. We have one daughter, two grandsons, and a great grandson. I am a life member of both the American Rabbit Breeders Association and the Texas Rabbit Breeders Association. I am currently the Secretary Treasurer of the Texas Mini Lop Rabbit Breeders Club.

We started raising rabbits in 1964 and Frank became a rabbit judge in 1976. After raising many breeds throughout the years, I started raising Mini Lops about 25 years ago. I love my Mini Lops and consider myself to be a dedicated Mini Lop breeder. I plan on staying an active member of the MLRCA and want to thank all of the members that are also sticking with our club. We have a lot of dedicated Mini Lop breeders who, like me, will always support our wonderful breed and continue raising and showing them.

Be sure to keep up with the current happenings of the MLRCA by visiting our web site at www.minilop.org. Our new Web Master, Robert Laughlin, is working diligently for the MLRCA and has made lots of positive changes to our web site. You can now pay your dues and order merchandise on line among other things.

District 4 Youth – Zachary Weber



Hello all from the Deep South!

Wow! What a summer went from 95 to 125 degrees it is hot here in New Mexico. Well for starts I know I haven't had any show reports I know I terribly sorry for this all of my show reports are all on the desktop at my other farm office so bear with me here. One thing I would like to say all of you district 4 mini lop people is you guys have really picked you're numbers up this year and that makes me even happier. I am Hoping to go to convention but not for sure, but am hoping.

This year is an outstanding year for mini lop competition I was comparing Youth district sweeps and this year in majority districts the mini lop competition has really picked up. As you all know the MLRCA is not charter with the ARBA. As of right know I am hoping that in the Future the MLRCA will re charter with the ARBA. The Web site is really looking good I am so happy to see things being updated and on a personal opinion I like the creative artistic work being put into it.

Convention! If you have not reserved you're motel you need to get it reserved pretty quick they are going to run out. From the last I called which has been about a month ago of all the motels in that area there was probably about 8 or 9 left. Not to brag or gloat but when I leave a convention when I get home I immediately reserve a motel for the next one. So get yours reserved.

Some news in the overall district 4 the ARBA elections are up and the 2 candidates in district 4 are Donald Mersviosky and Susan Yeary to well qualified candidates so if you're old enough to vote in the ARBA election vote for one of them there both really good in my perspective.

The discussions on Facebook are a great way to communicate with other breeders but you go to be careful because you can say the wrong thing or do the wrong thing and get the whole thing deleted because the Face book company is tightening up on things. A cousin of mine said something and he got kicked off and can't get back on so be extra careful.

For your rabbits to survive the heat this year is going to be rough in my barn I am running a big fan and 2 full size air units and I have no lights on which messes my breeding up because light helps the breeding process. To the entire Mini Lop membership if you have slow growing babies or mommas with babies with the sever heat you got to watch the amount of milk the momma rabbit developers because it can dry up. On slow growing animals or if the milk dries up you can go to a tractor supply or local Wal-Mart and get some cat formula. Cat formula helps them I give my slow growers about 5 ml of cat formula a day and believe me they do grow.

Well that is about it, got to get this Elizabeth because time is severely tied up so will hope to see you on the show trail come this fall.

Hello Fellow Mini Lop Breeders and Exhibitors,

I hope you find my first article for our newly revised *Advocate* informative and interesting. I am very excited about our web site under the direction of Webmaster, Robert Laughlin. He has updated the site and made it more convenient for our members. Please make use of the forum, the free breeder listing, the articles, the downloadable forms, easy access to renewing your membership online, and easily download your show reports for our sweeps. I anticipate being able to order club promotional items in the near future. I absolutely love our new slogan, "Rebels with a Cause" and plan on purchasing several items as soon as they are available. I encourage you to visit and utilize our MLRCA web site at: www.minilop.org.

Your Executive Board has been very busy conducting club business. We have found that the quickest way to communicate and get input and discussion from all Board members is via a pre-planned teleconference. We realized some of the past problems could have been avoided by having meetings more than twice a year. Thus, until things calm down a little more, our president, Chris DeSurra, will be scheduling a few more of these teleconference meetings. The minutes from these meetings will be posted on the web site and in the *Advocate*.

The club is continuing their scholarship program. Applications are due by August 31st. Forms may be downloaded on the web site.

We would like to see more involvement by our members on committees and as officers or directors. Please consider volunteering for any of these committees or download a petition for office from the web site. The date has passed for this years' election but it is never too early to get a petition signed for the next election. I would love to have a Youth Director for District 5. I know Miranda Haynes is listed on the web site and I admit I have no way to contact this young lady and have no idea if she remains eligible to be a youth director. Miranda, if you read these articles please contact me. The best way to involve and keep updated on our youth is to have a youth member send in a report for inclusion in the *Advocate.* If you would like to do this, please contact me as soon as possible at: doubleb10@frontier.com in case Miranda is no longer able to retain this Youth Director position.

If secretarial/bookkeeping skills are your forte, we are seeking a secretary/treasurer with plans to separate the two positions in the near future. **We really need for all members to read the Constitution and By-Laws which can be found on the web site.** Many changes need to be made and **we want and need your input** before we send any changes to members for a vote. ALL ideas are welcome.

The continuation of the MLRCA is going to be a challenge and we will be walking a long, hard road. I hope you choose to walk it with us. To my fellow officers and directors who chose to remain on the Board, a heartfelt thanks for your dedication to the members and the still strong and viable Mini Lop Rabbit Club of America!!

Hello MLRCA Members –

As most of you know by now, it's been a roller coaster ride for the MLRCA recently. Unfortunately, a select few tried to ruin this wonderful club. I said TRIED! The MLRCA is still a vibrant and wonderful club that wants to promote our beloved breed and support all members.

Our beloved Secretary/ Treasurer Pennie Grotheer decided to retire from being our Secretary and Treasure. Pennie and David have dedicated their lives to this club. I have known Pennie for many years; I can always count on her bubbly personality and always having a smile. It saddens me to see her go, but I respect her decision.

Have you seen our wonderful website? I want to give a special THANK YOU to Robert Laughlin and family on their hard work with our Website. The website is something every member can be proud of. I promise to submit my next district report via the website. If you like to see something added, please let your District Director know.

The MLRCA Board is diligently working revamping our Sweepstakes Program and Show Sanctions. As it stands, the MLRCA is not a charter club with ARBA. The MLRCA Board discussed becoming a regional and/or show circuit club with ARBA. In order to do so, we'll have to make some major changes within our Constitution and By-Laws i.e. Name Change. We cannot resubmit a charter with ARBA under the MLRCA Name.

Also, the MLRCA will need your support at the ARBA General Membership meeting. We need to express our feelings concerning ARBA Board actions concerning their involvement with MLRCA.
The MLRCA has already purchased a booth at the ARBA Convention. We'll be stocking this with information and promotional items for the club. Also, we'll have a Mini Lop auction to support the MLRCA. I already know we have several TOP Breeders committed in donating rabbits to the auction. I know I'll be bidding on couple of them to improve my heard.
Hope to see everyone at convention.

Hello Everyone in District 7 – Hope everyone is doing well

I know the heat has been horrible for everyone, it's been hard trying to keep your bunnies cool and comfy, some of us have lost bunnies due to the heat which has been very difficult for all of us, and trying to keep litters warm but not toasty warm has been difficult too, our moms still pull lots of fur even though the poor little kits do not need that much in the nest box. The last few days have been cooler so that's been helpful.

Our show season has been quiet this summer. We went to one show the beginning of June, it ended up being a small show because of the heat but everyone still had a good time. Our next show isn't until August 6th, which is a Midnight Madness show so that should be fun, we may be dealing with bugs but we won't be dealing with the heat (hopefully). It will be nice to get the bunnies back on the show tables as long as they stay in fur condition; summer has not been very nice to their coats. We have fur flying everywhere. We have also lost several bunnies this summer due to wool block. After all our years of showing and raising bunnies, we have never had this problem. A few breeders gave us some ideas of how to solve our problem but I have very fussy rabbits so none of them would touch the wheat germ oil mixed with some of their grain or the meat tenderizer with applesauce placed on a piece of bread. My French Lop liked the chunk of fresh pineapple but she was the only one. If anyone else has any other "Remedies" please contact us.

As everyone knows our club is no longer chartered by ARBA. That does not mean we are no longer a club. You can still show your mini lops; you can still earn your points and can still earn your awards. Mini lops are still a breed. You can send a copy of your show reports to Kassi Sieber. We will have a booth at convention this year, and we will have our banquet, so I hope everyone can make it to Indianapolis.

Check out our new website. Robert Laughlin is doing a wonderful job, keeping it updated; send him your wins or pictures so he can put them on

Keep those juniors in tip top shape, get them ready for convention and don't forget convention dates are different this year October 28th thru November 2nd. We will be showing on Sunday instead of Monday this year. Everyone have safe travels whether it's by air or vehicle, and keep your bunnies cool.

Until next time

Eileen King

District 8 – Jason Scott

Hello Mini Lop Friends!

It is an honor to write to you as your new D8 director. I would like to introduce myself to everyone in my district, as well as, in our club. I started raising rabbits when I was in 4-H, and continued until my parents moved while I was in college and the rabbits had to go. I was out for a short while from 2001 – 2004. I gave my herd to two kids that were in 4-H as rabbits and apartments don't mix well. I started with a pair of Giant Chins and Mini lops. The Mini's were quickly my favorite, and when I got back in November of 2004 Mini Lops is where I started. I was able to get a trio of Mini Lops from my old line and a very nice pair from the Todd's. From…

there my herd has grown and I have been working to improve my herd and the breed since. On occasion you will see me with a New Zealand or two, but the barn is full of Mini Lops.

When I'm not working with my rabbits I can be found teaching 7th and 8th graders Social Studies at Dubois Middle School. I also coach varsity, middle school, and age group swimming, as well as, middle school track. I spend most of my "off" time at the pool working to build my team and teach youngsters how to be safe around the water. Then for fun I am currently working on my Master's degree at Indiana State.

It is my hope to be able to help move our club forward and improve what we already have. That is going to take the help and input from the membership, and I invite everyone to please share your ideas with me or any other member of the board.

I look forward to working for all of you and hope to see you at the shows this fall!

Jason Scott

District 9 – Stephen Trent

Hello from District 9.

I hope that everyone is surviving the horrible heat that we are experiencing in our district. Keeping our herd cool has become a full time job. We have had heat indexes as high as 118 degrees here in VA. I know that there are a lot of ideas out there about keeping your rabbits cool but here are some of the ideas that I have used. We use large commercial fans; some are ceiling mounted and some are oscillating floor models, which we place at both ends of the barn. Our newest idea is to make "swamp coolers" (galvanized tubs filled with ice and placed in front of the fans). This will usually lower our temps by about 5-7 degrees. If you have ideas, submit them to our editor for publication. Articles from members are always welcome.

This is a new and exciting time for the MLRCA. We are working hard to maintain our current membership and obtaining new members. The Board of the MLRCA has had several conference calls to discuss our future and goals. We have already come a long way but we will continue to work in the membership's best interest.

Robert Laughlin is our new webmaster and he has brought the website to a new level. If you haven't looked at it, you really need to take the time and see the improvements. It's unbelievable! Our website www.minilop.org is now one of the best sources of information for Mini Lops Breeders that is available.

I am sure that everyone is gearing up for the 88th ARBA Convention in Indy. By the time that this edition is received, we will only be about 2 months away from Convention. This year's convention will be held October 29th-November 2nd, 2011 at the Indiana Fair Grounds. Remember, this years' convention will start on Saturday and end on Wednesday in order to utilize more of the weekend. This year entry fees will be $14/rabbit. I look forward to seeing everyone there.

District 9 is gearing up to bid on the ARBA Convention for 2013. If you want some info, please email me. It will be the 1st time that the Convention has been out here in many years.

My email is dstrent@cox.net. I would love to hear from D9 members. Let me know what is going on in your part of the district and who is winning your shows. If you see me showing, introduce yourself. We show from NY to GA and as far west as OH.

Face of the Future – MLRCA Youth Committee

We want to introduce you to Face of the Future, MLRCA's Youth Committee. This committee is designed to give the youth members of the MLRCA a voice in the club and will be comprised of youth members with two Adult Advisors (Pam Celesnik and Debra Dolph). The committee will be very involved with contributing to the "Mini Lop Advocate," (current trends, layouts, etc.), social media development and promotion, youth representation at nationals, youth booth at Nationals, and also appoint a liaison who will present to the Executive Board any ideas, concerns and goals as they pertain the MLRCA youth. Pam Celesnik's bio is under District 3 Director, so let us introduce the other Adult Advisor, Debra Dolph.

Debra Dolph (Amathamdir Rabbitry) –Adult Advisor for Face of the Future

My adventure into the rabbit world began in 1990, as a nine year old youth asking my parents for a white rabbit with pink eyes for Easter. (If my parents knew then what they were going to be getting themselves into, I most likely would never have gotten that first bunny.) Chuckles, a Himalayan Netherland Dwarf, went above and beyond my expectations as a rabbit. And was a very patient, perfect first rabbit for me. During the summer of the same year, my family visited relatives in Pennsylvania and lo and behold one of my cousins raised and showed Mini Lops! I fell in love with the breed instantly and daily helped to feed and water the rabbits while we were up there, begging my parents to bring one home with us. They finally agreed to a Broken Lilac Mini Lop Jr. Doe, and Zimmer's Second To Me or "Bev," made the trip from Pennsylvania to South Carolina.

My parents and I joined Southern Pride Rabbit and Cavy club and I started showing rabbits in youth that year. Bev took BOS and got her first leg at her first show. She took BOB (2nd leg) in her next show and 2nd place Broken Sr. Doe in the Open Mini Lop Specialty. In her third youth show, Bev took BOB and BIS (3rd leg) and retired from showing to be a brood doe. My cousin could not believe that I had grand championed my first show rabbit in only three months and in the first three shows, and neither could I! Thus started my Mini Lop herd and I was hooked on raising and showing rabbits from that point on. As a youth and then adult breeder, I not only raised and showed Mini Lops, but fifteen other ARBA breeds over the next 21 years. While I stopped raising Mini Lops during my later years as a youth, I never lost my love for the breed. I continued to raise rabbits through my college and graduate school years which was challenging and hard work, yet resulted in helping to make me appreciate my rabbits even more and helping me keep my herd small.

I am committed to helping youth rabbit breeders as they are the future of our hobby and I am grateful to all the adult breeders who helped me while I was a youth. I am currently Youth Director for my local rabbit club, Southern Pride Rabbit and Cavy Club in South Carolina, and Founder/Adult Advisor for Rompin' Rabbits and Cuddly Cavy 4-H Club. My goal as advisor to Face of the Future is to help guide the current and future MLRCA youth into becoming the Mini Lop breeders of the future through giving them a voice and making this part of the club their own.

Mini Lop Rabbit Club of America
Constitution

ARTICLE 1: Name

This organization shall be known as the Mini Lop Rabbit Club of America, herein referred to as MLRCA or the club.

ARTICLE 2: Objectives

The objectives of this not for profit club shall be to promote and improve the breeding of Mini Lop rabbits, disseminate information to the members, provide educational opportunities, encourage the exhibition in all varieties, and maintain and improve the Mini Lop standard.

ARTICLE 3: Affiliation

Section 1: The MLRCA shall affiliate with the American Rabbit Breeders Association, Inc. (ARBA)

Section 2: Any local, district or state Mini Lop Specialty Club chartered with the ARBA and whose organization is in accord with that of this club is strongly urged to affiliate with the MLRCA. Officers of all clubs affiliated with the MLRCA must be members in good standing with the ARBA as well as the MLRCA.

ARTICLE 4: Membership

Any person of good character, who agrees with the objectives of the MLRCA, may become a member of this club. A signed membership application prescribed by the executive board along with payment of at least one (1) year membership dues shall be submitted to the secretary/treasurer. The term will begin from the date of receipt of application and dues.

ARTICLE 5: Officers

Section 1: The officers of the MLRCA shall consist of a president, vice president, immediate past president, secretary/treasurer and nine (9) directors. The four (4) officers and nine (9) directors shall constitute the executive board. Each director shall be elected by the membership from his/her geographical area which is referred to as a district. The districts are as follows:

District 1: Alaska, Vancouver Island, British Columbia, Alberta, Idaho, Montana, Oregon, Washington and Wyoming
District 2: Arizona, Hawaii, Nevada, Utah, and California
District 3: North Dakota, South Dakota, Iowa, Minnesota, Nebraska and Wisconsin
District 4: Arkansas, Oklahoma, Texas, Colorado, and New Mexico
District 5: Illinois, Kansas, and Missouri
District 6: Alabama, Georgia, Florida, Louisiana, Mississippi, Tennessee and Puerto Rico
District 7: Maine, Massachusetts, Connecticut, New Hampshire, New York, Rhode Island, Vermont, and Quebec
District 8: Indiana, Kentucky, Michigan, Ohio, Manitoba, and Ontario
District 9: Delaware, Pennsylvania, Maryland, New Jersey, Virginia, West Virginia, North Carolina, South Carolina, D.C. and foreign countries.

Section 2: The president, vice president, and directors shall be elected by the membership by mail ballot or by a ballot printed in The Mini Lop Advocate. The executive board will approve and appoint a person to the position of secretary/treasurer. To be eligible for any office all candidates must be a current member in good standing of the MLRCA and ARBA, have been an owner and breeder of Mini Lops for at least two years (2) just prior to seeking office, and must continue with the breed while holding office. No two (2) members from the same household may serve on the executive board at the same time.

Section 3: All officers except the secretary/treasurer shall have their resume printed in The Mini Lop Advocate for the benefit of the membership. The president and four (4) directors, one from each district 2, 4, 6 and 8 shall be elected in even years. The vice president and five (5) directors, one from each district 1, 3, 5, 7 and 9 shall be elected in odd years.

Section 4: The term for all officers, except the office of secretary/treasurer shall be for two (2) years. There is no specific term limit for the office of secretary/treasurer since it is an appointed office. The term of those elected shall begin under order of new business at the annual meeting. Each officer may hold office for an unlimited number of terms.

Section 5: Vacancies in any office shall be filled by appointment of the president, subject to a two-thirds (2/3) majority vote of the executive board.

Section 6: An executive board member failing to report his/her vote concerning MLRCA matters to the president with fifteen (15) days of request, shall by his/her silence, forfeit his/her vote to the president, who will cast that vote as he/she wishes.

Section 7: The board of directors shall conduct business as usual in the event a quorum of the officers is not present. Any board member unable to attend official MLRCA board meetings will be contacted by the president within two (2) weeks following the board meeting to vote only on those issues presented at the board meeting. The president will not discuss old business nor ask for new business of those board members not present at the board meeting. The president will report the result(s) of the board member's vote to the rest of the board members in a timely manner.

Section 8: Directors may appoint assistants (such as youth directors) to staff their district subject to approval of the president. Their term of appointment will run concurrently with the director's term of office and is subject to reconfirmation at the beginning of each term of office.

ARTICLE 6: Voting Procedures

Section 1: Any member who desires to become a candidate for office must be in good standing and must fill out a nomination petition. This petition is published in the winter issue of The Mini Lop Advocate and/or may be obtained from the secretary/treasurer. The petition must be signed by a minimum of three (3) members in good standing who are current residents of the candidate's district. Completed petitions must be returned to the secretary/treasurer and must be postmarked no later than May 1st. EXCEPTION: Petitions for secretary/treasurer must be returned to the president and must be postmarked by any date determined by the board of directors in order to keep this office filled.

Section 2: When the nomination petition is received by the secretary/ treasurer, he/she shall determine if the member is eligible to run for office.

Section 3: The secretary/treasurer will mail the ballots, or they may appear in the official publication not later than July 1st, to all members whose dues do not expire prior to July 1st. The names of all candidates who have properly qualified under Article 5, Section 2 and Article 6, Section 1, shall appear on the ballot. A self-addressed envelope shall accompany each ballot with the election chairperson's name and address thereon. Ballots must be postmarked no later than August 1st.

The committee will count all acceptable ballots and send a certified statement of the results to the president and secretary/treasurer. The president and/or the secretary/treasurer will retain the ballots and the certified statement for one (1) year in the event there is any question concerning the ballots.

Section 4: No person whose name appears on the election ballot may be on the election committee.

Section 5: In the event of a tie between two (2) or more persons for the same office, selection shall be made by a runoff election. In the event only one (1) person is running for the office, that person shall be deemed elected to that office.

Section 6: Any member who has previously resigned an office must have executive board approval to run for any future office.

Section 7: Members who submit their membership as a family membership shall have three (3) votes per family. A husband and wife membership shall have two (2) votes. A single ADULT membership shall have one (1) vote. Youth purchasing adult membership may vote.

ARTICLE 7: Duties of Officers

Section 1: The president shall preside at all meetings and perform other duties that pertain to his/her office. The president will fill all positions on standing committees.

Section 2: The vice president shall perform all duties of the president in his/her absence or disability. If the office of president becomes vacant, the vice president will succeed him/her in office.

Section 3: The immediate past president shall provide support and direction to the president and vice president. The "most recent" immediate past president in good standing will hold this position. This person will only preside over meetings or direct the organization if both the president and vice president are unable to serve or attend a meeting. If the immediate past president is not running for office the president may appoint this person to chair the election committee.

Section 4: The secretary/treasurer shall perform the following duties: be custodian of all funds; maintain a bank account in the name of the MLRCA; maintain a complete set of books and records; act on all membership applications received; act on all sanction requests; consult and advise the president regarding unexpected situations; furnish an annual report to the executive board showing the MLRCA's general condition. In addition, the secretary/treasurer shall keep an accurate record of all the meetings and perform other duties, which may be assigned by the president. The secretary/treasurer shall be bonded to cover the assets of the MLRCA. The executive board will review the amount of bond coverage at each annual meeting. The secretary/treasurer, president, vice president, and immediate past president shall collaboratively prepare a budget for the upcoming year and present it to the board for approval at the board meeting at the ARBA Convention.

Section 5: The executive board shall: have the power to transact all MLRCA business between meetings; approve all appointments made by the president; act upon charges brought before them; formulate rules; award the locations of the National Mini Lop Show; and decide on any questions of policy or anything not specifically covered in this constitution and bylaws. The secretary/treasurer shall make a full report at the annual meeting of all matters handled during the year by the board.

Section 6: District directors shall write an article for publication in each issue of The Mini Lop Advocate. These articles must contain information on what is happening in their specific district in relation to Mini Lops. Directors should be able to attend at least 50% of the annual meetings held by the national club during their term in office.

ARTICLE 8: Amendments

This constitution may be amended as set forth in the bylaws.

Mini Lop Club of America
Bylaws

ARTICLE 1: Meetings

Section 1: The annual meeting shall be held during the annual convention show of the American Rabbit Breeders Association, Inc.

Section 2: The president may call a meeting of the executive board at any time during the annual convention of the American Rabbit Breeders Association, or the National Mini Lop Show.

ARTICLE 2: Parliamentary Authority

Section 1: Unless otherwise provided in these Articles, *Robert's Rules of Order* governs the transaction of business of all meetings.

Section 2: In order to transact business at any general membership meeting of the MLRCA, there shall be a quorum of at least fifteen (15) voting members, in addition to the officers present.

ARTICLE 3: Discipline

Section 1: The executive board may, by a majority vote, expel any member, or reject an application for membership or renewal, providing charges have been filed by another member. The lack of good sportsmanship or other action detrimental to the objectives of the MLRCA will likewise be grounds for expulsion if substantiated by the board.

Section 2: A member against whom charges have been filed, shall be fully informed by the secretary/treasurer and given thirty (30) days to reply before action is taken by the executive board.

Section 3: Any member expelled or rejected may be eligible for reinstatement after a period of one (1) year, upon a 2/3 majority of the executive board.

Section 4: If an officer or director does not fulfill his/her duties or shows a lack of interest in matters of the MLRCA, he/she shall be asked to resign by the president. If he/she fails to do so, the executive board, by a majority vote, shall declare the office vacant.

Section 5: If an officer or director gives up the breeding of Mini Lop rabbits during his/her term, he/she shall resign his/her office effective immediately.

Section 6: Any member who files charges against another member must submit two hundred dollars ($200.00) with the complaint. If the charges are substantiated by a vote of the executive board, the two hundred dollars ($200.00) will be refunded. If not, the two hundred dollars ($200.00) will not be refunded and will be used for the next convention's Mini Lop specials.

ARTICLE 4: Standing Committees

Section 1: *Election committee*

If the immediate past president is running for office, the president may appoint an election committee consisting of a chairperson and two (2) members. Their duties shall be to receive and certify the results to the president and secretary/treasurer within ten (10) days after the closing of the polls.

Section 2: *Auditing committee*

The president shall appoint an auditing committee consisting of a chairman and two (2) additional members from the membership of the MLRCA. The secretary/treasurer will provide the books and a prepared report to the committee no later than 6:00 PM on Monday evening during the ARBA's convention. The committee will audit the books and establish that proper procedures are performed by the secretary/treasurer to: insure that all monies received and expended are properly controlled and reported; to review all procedures and assist the secretary/treasurer to insure the most convenient and/or more economical methods are used; and to remain aware of how income is derived and monies are expended. The chairperson will go over the report the secretary/treasurer has prepared with the secretary/treasurer and the secretary/treasurer will present the report for a membership vote at the annual general membership meeting during the ARBA convention.

Section 3: *Standard committee*

The standard committee shall consist of a chairperson and at least four (4) additional members, appointed from different districts. The standard committee shall perform the following duties: screen all suggested changes to the standard; make recommendations concerning those changes in the breed standard to the membership; insure the membership is polled; and to fulfill the obligation of a specialty club standard committee mandated by the ARBA. Further, they are in charge of protecting and interpreting the breed standard.

Section 4: *Show committee*

The show committee in charge of Mini Lops at the ARBA Convention Show shall consist of one open and one youth person for the positions of breed chairperson, breed superintendent, breed secretary and recorder. Additional support personnel may also be required to enable this committee to carry out its duties. This committee is also responsible for the proper showing and care of entries, recording of show results, procurement of trophies, operation of the MLRCA's booths and arrangement of the annual club dinner meeting.

Section 5: *Official publication editor*

The editing of the official publication, *The Mini Lop Advocate*, shall be done by a committee of one (1). The editor shall be responsible for all content of the publication and arrange for publication quarterly. All monies will be sent to the secretary/treasurer. The secretary/treasurer and the editor will communicate in a manner so that both are clear regarding members who have paid/unpaid memberships or ads. The editor shall receive from the secretary/treasurer a set of labels of all paid-up members.

Section 6: *Constitution committee*

The constitution committee shall consist of a chairperson and appointed members, one of which shall be the secretary/treasurer. Their duty shall be to review the MLRCA Constitution and Bylaws on an annual basis to be sure that it reflects the state of affairs. They shall make recommendations for changes to the executive board and shall investigate changes suggested by the executive board and membership. They, along with the secretary/treasurer, shall monitor the club's actions to ensure compliance with the constitution and bylaws.

Section 7: *Sweepstakes committee*

The sweepstakes chairperson(s) shall be a committee of one (1) or two (2). They are responsible for open and youth sweepstakes. When a sweepstakes person resigns or quits, the president and the board is to be notified in writing. This opening shall be published in The Mini Lop Advocate. Any member wishing to apply for the position must submit a resume. Although this committee is appointed and governed by the president, resumes shall be reviewed by the board and the candidate selected by a majority vote of the board.

Section 8: *Judges Committee*

This committee will consist of a chairperson and two (2) or three (3) other members from different states. They will be in charge of developing a list of nominated judges, develop a ballot and poll the members, and hire the best Mini Lop judges for the national ARBA Convention.

ARTICLE 5: Compensation

Section 1: The secretary/treasurer shall receive a portion of the membership as appropriate compensation. This amount will never be less than $1.00 for a single youth/adult, $2.00 for husband and wife, and $3.00 for a family membership. The secretary/treasurer will also not receive less than .50 for each sanction received. The executive board may increase these portions. These amounts, plus the ARBA convention and MLRCA national show expense check, shall be the secretary/treasurer's total compensation.

Section 2: The president and the secretary/treasurer shall each receive an amount up to, but not exceeding $300 toward their expenses to the annual ARBA Convention and the National Mini Lop Specialty Show. If the president is unable to attend, the vice-president may receive an amount up to, but not exceeding $300 toward the same expenses.

Section 3: The sweepstakes chairperson(s) shall receive not less than $1.50 per show report. This shall be the total compensation for the sweepstakes chairperson(s).

Section 4: The supply chairperson or assistant shall receive fifteen percent (15%) of the gross sales that he/she encumbers. This shall be the total compensation for the supply chairperson or assistant.

Section 5: The board reserves the right to seek and award bids for an editor for The Mini Lop Advocate. This shall be the editor's total compensation.

ARTICLE 6: Convention judges

Section 1: All members in attendance at the annual general membership meeting may submit the names of two (2) prospective judges. Open will nominate for open judging and youth will nominate for youth judging. A ballot will be generated from those names submitted and printed in the winter issue of the Mini Lop Advocate. The three (3) judges receiving the most votes will be asked to judge in the division in which they were chosen. They will be procured for the first year they are available. Open positions, no further than three (3) years out, are filled with judges with the next highest votes received.

Section 2: It is recommended that a host national club hire an outside judge.

ARTICLE 7: Dues

Section 1: Membership dues shall be recommended by the executive board for approval by the members at the annual meeting. Dues categories include single membership, husband and wife membership, youth membership, family membership and life membership. Age of youth membership shall coincide with the ARBA youth age.

Section 2: All members shall be notified thirty (30) days prior to the expiration of their membership. Points will not be awarded during any period of lapsed membership. If membership is renewed, points will be awarded from the date of the membership renewal and points earned prior to the membership lapse will be added to the current sweepstakes year.

ARTICLE 8: Amendments

Section 1: This constitution and bylaws may be amended by a two-thirds (2/3) majority of votes cast by ballot of the entire membership. All members are to be notified in writing of the proposed amendment and furnished a ballot.

Section 2: This constitution and bylaws may be amended by a two-thirds (2/3) majority vote of all members present at the annual meeting. Members must have been notified at least thirty (30) days prior to the annual meeting of proposed changes to the constitution and bylaws. There must be at least twenty-five (25) members in addition to the officers in attendance.

Section 3: Any member may submit a resolution to the executive board for an amendment to the constitution and bylaws providing it is signed by three (3) or more members in good standing and submitted at least ninety (90) days prior to the annual meeting. Members must be notified prior to the required thirty (30) days. The resolution must also appear on the agenda of the annual meeting.

Section 4: All resolutions for an amendment to the constitution and bylaws shall be submitted to the chairperson of the constitution and bylaws committee no later than June 1st. This allows time for communication and clarification between the executive board and the constitution and bylaws committee and ensures that it can appear in the fall issue of The Mini Lop Advocate.

ARTICLE 9: Order of business

1. Roll call of officers
2. Reading of minutes of the executive board
3. Reading of minutes of special meetings
4. Reading of minutes of the previous annual meeting
5. Report of officers
6. Committee reports -- (eight) 8 standing committees and all special committees

MLRCA 30-YEARS IN THE MAKING

It was a rather turbulent year in American History.

Jimmy Carter was still in the White House.
A group of 52 Americans were being held hostage in Iran.
The United States boycotted the Summer Olympics in Moscow.
The Space Shuttle Challenger exploded 74 seconds after liftoff.
Former "Beatle" John Lennon was murdered in New York City.
In Washington State, majestic Mt. Saint Helens erupted resulting in the deadliest and most economically destructive volcanic event in the history of the United States.

It was the same year that The Cable News Network (CNN) was officially launched... Over a year before MTV aired its first ever music video.
"The David Letterman Show" debuted on NBC, in the morning. The show was soon cancelled, but Letterman went on to host a late night show 2-years later.

On television, a then-record number of viewers (for an entertainment program) tuned in to the TV soap opera *Dallas* wondering "Who shot J.R.?"

In the movies, Jack Nicholson played madman Jack Torrance in "The Shining" while Robert DeNiro won an Academy Award for Best Actor in "Raging Bull".

The year was 1980. The year when a small group of determined and dedicated individuals formed a club to support and promote the ARBA's newest breed... the Mini Lop Rabbit. That club was named "Mini Lop Rabbit Club of America".

Years before the fall of the Berlin wall, in back yards, barns, and rabbitries all across America, members of the MLRCA were busy building an institution that has now endured over 30-years. Their hard work and commitment to the breed has inspired a multitude of breeders throughout the years. Their dedication to advancing the standard of quality in the Mini Lop breed can be seen today at rabbit shows all across the nation.

Recent decisions by the ARBA have threatened to put this rich Legacy in jeopardy with little regard for the history and tradition it was founded on. The burdens we face are no less difficult than those endured by our predecessors when they were faced with promoting a new breed into the prominence we now enjoy today.

It is with great pride that we walk in the footsteps of those who have gone before us, with the same spirit of adventure and rebellious spirit that helped them build what has become the Oldest and Largest Mini Lop Club in the world.

Our "Cause" may not always be an easy one, but it's a "Cause" worth fighting for.
Over 30-years of history and tradition cannot be that easily erased.
We look forward to you joining us as we take the next step to preserving the heritage that was entrusted to us.

HOW TO "RUN" RABBITS AT CONVENTIONS

By: Tracy Harmon

At each ARBA Convention and Mini Lop National show, a large part of success is contributed to the wonderful people who volunteer to carry rabbits to and from the judging tables. These people are an integral part of keeping the show running smoothly, efficiently, and timely. PLEASE HAVE A SHARPIE OR DARK PEN IN YOUR POCKET AND WEAR COMFORTABLE SHOES!

Prior to the show there is often a short meeting briefing the folks that would like to carry rabbits for the day. With that being said, getting a group of excited Mini Loppers rounded up for a meeting prior to judging is similar to "herding cats". There is grooming to be done, the class auction to be held and bid upon, nerves running on overdrive to name a few of the immediate distractions. So it is my hope that I can be of assistance to any of those that would like to carry out this very important task. PLEASE HAVE A SHARPIE OR DARK PEN IN YOUR POCKET AND WEAR COMFORTABLE SHOES!

Let the judging commence! Each table will be set –up with a judge, a comment taker, a ramrod, and a placement recorder. In theory**,** there should be a "ticket" which is a tab taken off of the comment card printed for each rabbit entered in the class. These tickets are separated from the comment cards, shuffled, and then handed out one by one to the "runners" or rabbit carriers. The ramrod monitors the animals being brought to the table and ceases handing out tickets each time the coops become full. PLEASE HAVE A SHARPIE OR DARK PEN IN YOUR POCKET AND WEAR COMFORTABLE SHOES!

The proper procedure begins with getting a ticket from one of the judging table ramrods. Next**,** you will look for the coop number on the ticket and proceed to that area. Begin searching high and low for the particular coop, normally if you are vertically challenged…they are on the top row, if you are a tree…they are near your ankles. Once you have located the correct coop, HERE IS WHERE THE SHARPIE COMES IN TO PLAY, mark the coop card (the one stapled to that animals coop) with a large /. This means the rabbit occupying this coop has gone to the table for judging. Next, work on getting the Mini Lop out of the coop and safely into your arms. Remember, the rabbit you are about to pick-up is most likely scared to death. Many are not used to being shown, handled by strangers, handled differently, being at a show thousands of miles away with 20,000 other rabbits and loud speakers, or all of the above. You can expect all**,** or part**,** of the following to occur to you as a runner….being scratched, bitten, mauled, disemboweled, or any number of other unforeseen incidents. Please keep in mind that these animals normally are not vicious, they are scared, and unfortunately these are "hazards of the occupation". Talk slowly and gently to the rabbit while taking it out of the coop. NEVER SCRUFF THE RABBIT. Many people, like myself, have spent countless hours grooming these rabbits (even if it doesn't look like it) that are attending nationals and would not like all those hours wasted on someone that doesn't know how to handle rabbits. Ideally, the rabbit is facing you in his coop, if not; try to gently turn it around to face you. Place your hand under the tummy and your other hand on its bottom, to secure it from kicking. This will not only help keep you from getting scratched but keep the rabbit safe from thrashing and potentially harming itself. Again, very gently take the rabbit out of the coop and straight into the crook of your elbow in the "football hold". Proceed to the table. Remember to take the rabbit to the same table that you took the ticket from, as there are generally 2-3 tables judging/running simultaneously. Put the rabbit into an empty coop and either give your ticket to the ramrod or place it on top of the coop that contains that particular rabbit. If the rabbit starts kicking or struggling on the way to the table, please take a knee. If you lose your grip, the rabbit will have much less farther to fall then if you are standing.

If the rabbit does end up on the floor, remain calm. Try to get in front of the rabbit and get as low as possible. Remember that rabbits are prey animals that have the flight instinct. This means, if they are being pursued from behind, they will dart to get away. The more you grab a rabbit by the hindquarters, the longer you will be chasing it. Ideally, two or three people should surround the rabbit and the person in front should scoop it up gently, putting it in the proper football hold, and remain still until the rabbit has relaxed. Take the rabbit to the judging table and inform the ramrod that the rabbit has fallen on the floor and is considerably stressed. The judge can look over the rabbit for injuries and make sure it is alright for continued judging. As an exhibitor, please remember that these unfortunate circumstances and injuries do happen from time to time.

Now that you have safely delivered your first piece of precious cargo, things really start rolling. It is very possible that once you have placed a rabbit in a coop, there is one ready to return to their coop. The ramrod will let you know what needs to go back and will give you the ticket that goes with that rabbit. It is very possible that this is not the rabbit that you brought up in the first place. Repeat process above but backwards. Find the coop, put rabbit back safe and sound, HERE'S WHERE YOU NEED YOUR SHARPIE AGAIN…after placing the rabbit into the correct coop, take your Sharpie and mark a \ across the / that the previous runner placed on the coop card when taking the rabbit to the table, thus making a completed X. An X on the coop card means that this rabbit has gone to the table and has now returned from the table, thus ensuring any owner questioning that his or her rabbit has been to the table and judged.

Repeat above directions 5,000 times during a few hour period. THIS IS WHERE THE COMFORTABLE SHOES COME INTO PLAY…an hour into running, your knees and feet will begin to throb and blisters will begin to form. By the end of the day your ankles will be the size of watermelons, your toes will feel like they are going to fall off, your back will feel like you dug a trench long enough to house the Alaskan Pipeline, and the blisters on your feet will resemble the large bubble wrap air pockets. To be really truthful, the shoes aren't going to help much. All of these symptoms will occur even if you have on comfy footwear but it's all for the love of our beautiful Mini Lops and I bet you won't be able to wait until the next time when we all meet and "run buns" again! PS: If you are lucky enough to reach your goals, win a first place, be awarded BOB or BOS you will feel none of the problems above. You will be walking on "Cloud 9" and that will make all of the pain disappear in an instant!

Official Statement from ARBA:

Since there has been a great deal of confusion as to whether or not we will be honoring sanctions received by the MLRCA, please read the statement below from the ARBA. Based on this statement from Pres. Mike Avesing, the ARBA and the MLRCA will honor any sanctions purchased before our charter was revoked on May 4th, 2011. The board had decided to give automatic refunds to shows sanctioned after the revocation date but that decision was amended after receiving the statement from ARBA. We are very sorry for any trouble or confusion that this may have caused.

Here is the official statement from the ARBA. Give me a call if you have questions. 563-263-5959.

Mike

We agree to interpret Show Rule 19- The ARBA sanctioned Show already accepted the sanction and can follow through the process if they choose to do so provided the sanction was received prior to May 4, 2011 without violating ARBA Show Rule 19. The ARBA, not having access to MLRCA files or transactions, cannot confirm or dispute dates sanction requests were received by the MLRCA.

Advocate Editor – Elizabeth Bell

Hello Mini Lop Breeders!

Who Am I? That's a good question, as I am still figuring that out myself. Well first off, I'm the new editor of the Mini Lop Advocate. I am a 6th year college student, who is pursuing a Bachelor's degree in Liberal Studies along with my Teaching Credential, attempting to FINALLY graduate in 2013! (It's close, I can almost taste it!!!) I have been raising rabbits/Mini Lops, since I was five. Both of my parents are ARBA Judges and rabbits are pretty much the only hobby I have time for, but that's true with most of us. Oh, and my name is Elizabeth Bell.

It is very exciting to be able to direct the publication of the MLRCA into its next phase of life. Although what has happened to our club is horrible, the board is actively making the changes worth something. The Advocate as you can see has received a face lift! With more pictures, less clip art and tons of content! The website has too; Robert has done an AMAZING job on the website and has made my job incredibly easy. If you haven't seen it already, please put this down and log on to a computer. The new www.minilop.org has a ton of features that the previous incarnation did not. You can now submit photos, articles and advertisements (even pay for them), they automatically come to me from the website and I then input them into the Advocate. No more making sure MY email is correct, and no more waiting for me to receive payment before having the ad included in the Advocate! Just make sure you follow the steps to pay for it☺!

I have been working very hard to gather and include as many member's photos as I can find, if your rabbit or picture made it into this issue! THANK YOU! I appreciate those who have sent me pictures, and have given me permission to use them, as I have also scanned the pages of Facebook.

I am honored to be the editor of the Advocate, and absolutely love doing it. If you have any question, comments or concerns – please feel free to let me know!
My email is: elizabethbell_86@yahoo.com

I am easy going and love that the Advocate is becoming more hassle free in submissions.

The NEW MLRCA is truly taking the club in the right direction, show your support and pick up one of our amazing T-shirts or stop by the booth at convention!
